

Running Out  
Cover/List Price: \$14.95  
<https://mainstreetragbookstore.com/?product=running-out>

The tentative release date for *Running Out* is June 2017. It is available for preorder NOW at advance discount prices, but that price is only good directly from the publisher and may be discontinued at any time.

The price when ordered from the **MSR Online Bookstore** is \$9 (Plus tax and shipping. The advantage of buying online: slightly cheaper and shipping per book decreases as quantity increases because it is based on weight and automatically calculated).

For those who prefer to pay by check, the cost is \$13/book which includes tax and shipping.

*Please remember: These prices are for advance orders only. It doesn't mean the book will be shipped early. It only allows buyers to receive a discount for ordering before the book goes to press, but this price will only last for a limited time, so ORDER NOW!*
